### **RE: "Qwalena: The Wild Woman Who Steals Children"**

"That was bloody amazing!! Thanks so much for having me in there and my class. One of the best speakers / presentations I have ever seen."  
Teacher

"...his message was powerful without 'preaching/lecturing' to the class."  
Leadership 12 student

"Dallas blends traditional First Nations teachings with technology and contemporary culture to create a captivating presentation. Qwalena moved an entire theatre full of students from silence to screaming and back to complete concentration in the space of an hour."
